International Golf for Youth  
Event Directors and Sponsors

2<sup>nd</sup> April 2020

*Dear Supporter,*

I write to you in these unprecedented times to provide some guidance and support regarding International Golf for Youth events. The charity exists to provide a vehicle for fundraising to support young people, and this is where our focus should remain as coronavirus disrupts every aspect of our lives. The unique prize we offer, for qualifiers to attend the World Finals in the United Kingdom with a Welcome Dinner at Wentworth, three days of golf at some of the most prestigious courses in England, including a round at the Royal Household Golf Club and a Gala Prizegiving Dinner attended by a Member of the Royal Family at Windsor Castle, gives you a fantastic opportunity to sponsor events and help young people around the world.

Some events have already taken place in 2020. Sadly, because of the crisis, others have been postponed or are under review. The trustees are keeping the World Finals, due to take place 27<sup>th</sup> September to 1<sup>st</sup> October 2020, under review. Much will depend on how the pandemic affects us all in the next few weeks or months. However, if we do have to cancel in 2020, all qualifiers from 2020 will be able to attend the World Finals in 2021. Thus the attraction and the opportunity to offer sponsorship is undiminished, and I would ask you to continue your support to the charity as we get through this difficult year.

On behalf of the trustees, I send you all my best wishes, and hope you keep safe.

*Yours sincerely,*

**Brigadier John Smedley CVO**
